Rebecca (Becky) Brown (I)

Hello Credit Union members. I am in my 38th year with Ascension SJHS. I am currently part of a national team that builds and supports the surgery and anesthesia scheduling and documentation programs for Ascension. I maintain a Certification as a Certified Surgical Technologist. I have been a member of the board for the past year and hope to continue for many years to come.

Clara Brown (I)

I am the Manager of the Centralized Credentialing Office at Ascension St. John Health System. I have worked at Ascension St. John Health System for almost 18 years. I have a Bachelor of Science in Finance with a commercial bank management option from Oklahoma State University. I have enjoyed the last 3 years being on the Board of Directors and it has been a great opportunity to grow as an individual and have more community involvement.

Jana Hallman (I)

Jana has served on the credit union's Board of Directors since 1987 and has served as Chairperson since 2007. Jana originally came to St. John Medical Center in 1981 and served as the Director of Surgery and Surgical Services for over 20 years. She has her BSN and MS degrees from the University of Oklahoma. She is the proud owner of Ashton Kelly Candles, a "Made in Oklahoma" business. She and her high school sweetheart, husband Dewayne are 3rd generation cattle ranchers and will be celebrating their 41st wedding anniversary this year. She is very pro-credit union and proud of Encentus' stability while serving member needs. Jana was one of the driving forces behind the credit union's plan and completion of the new main office. She understands the needs of both individual members and businesses. She is extremely excited about plans for future growth and serving our members with additional locations and services.
